

TES

TVASTHA
ENGINEERING SERVICES

INTRODUCTION

Tvastha Engineering Services, established in **2021**, is a Cuttack, Odisha-based company specializing in the supply of industrial equipment, components, catering to various major industries in Odisha and beyond. We have a strong presence in **Cuttack**, with well-connected offices and workshops. Our Cuttack workshop is conveniently located near National **Highway No. 55**, providing efficient logistics and transportation access.

We take pride in supplying OEM spares and project works for **MBE**. We also supply material handling equipment to leading industries across **steel, aluminum, fertilizer, cement, and sponge iron** sectors in **Odisha, Jharkhand, Chhattisgarh including Pan India**.

Mission

Provide top-quality engineering solutions with smart & reliable manufacturing with excellent customer service. Build strong, long-term client relationships.

M

V

Vision

To Be a trusted leader in engineering and manufacturing, constantly innovating and expanding to serve diverse industries.

WHAT WE DO

EPC Projects

1

EPC of material handling system & Dedusting System.

OEM Spare Supply

2

Reliable supply of OEM spares and components.

Installation & Commissioning

3

Installation and setup of heavy machinery and industrial systems.

Fabrication and Machining

4

High-quality fabrication and machining services for various equipment.

Maintenance and Overhauling

5

Comprehensive maintenance and overhauling of critical industrial machinery.

Design & Engineering

6

Providing precise and efficient drawing solution for engineering & fabrication projects.

SUPPLIED ITEMS

Rotary air-lock valve

Ball mill Liner

Rotary Hopper

Bucket Elevator

Vibrating Screen

Vibrating Feeder

Conveyor Pulley

Prefabricated Structures

EOT Girders

Flap Damper

Magnetic Separator

Pinion & Gear

Classifier Liner

Screw Conveyor

Top Cover

Bucket Elevator Pulley

EXECUTED PROJECTS

TES

Replacement of Complete Bucket Elevator Unit at **HINDALCO**.

Girth Gear Reversal and Drive Alignment of Ball Mill at **GAP, BALCO**.

Kiln tyre shimming and Kiln shell replacement at **SARDA**.

Drawing Development & supply of **Classifier liner plate** for **JSL, Kaliapaani**.

Complete Fabrication of Pipe conveyor Gallery for **AMBUJA Cement**

Complete Structural fabrication & erection work.

CERTIFICATIONS

ISO 9001:2015

ISO 45001:2018

PRECISION & POWER

1	Lathe M/c.	7	MIG Welding M/c.
2	Milling M/c.	8	Pug Cutting M/c.
3	Radial Drilling M/c.	9	Magnetic Drill M/c.
4	Bench Grinder M/c.	10	Rectifier Welding M/c.
5	Plate Bending M/c.	11	Spray Painting M/c.
6	Plasma Cutting M/c.	12	Diesel Generator

ACHIEVEMENTS

	Consortium Partner of MBE for innovative solutions.	01
	ARC work contract with Vedanta Balco for Ball Mill Maintenance	02
	Established 50,000 ft ² workshop factory at Cuttack-Sambalpur Highway.	03
